Dear Neighbor,

In professional bike racing, riders make their living by winning prizes. To attract the best riders to the Beverly Hills Cycling Classic, we need to offer top primes – cash prizes awarded to the winner of a lap in a race. This year, the race course and festival area will again be based at the St. Barnabas Parish parking lot, 101st and Longwood Drive, and we're expecting a big crowd.

Area residents and businesses are invited to sponsor primes in the **17th annual Beverly Hills Cycling Classic | Bikes & Brews** presented by the Beverly Area Planning Association (BAPA) and featuring an international field of riders competing in six elite level pro/am races on **Friday, July 19, 2019**.

The amount of primes available in a pro am cycling race is a strong incentive for elite riders to participate – only one rider can win the top prize; several riders can win the primes offered for laps. And the more competitive the event, the more exciting the action for spectators.

Primes come from businesses and residents in the community and are collected in increments of \$200, \$100 and \$50. Prime donors have their names announced over the public address system during the race. The more you give, the more often your name is mentioned. Primes donations are not donations to the Beverly Area Planning Association and not tax deductible -- *100% of the money donated for primes is awarded to riders competing in the Beverly Hills Cycling Classic.*

To donate a prime, please use the application below. **The final deadline for donating a prime is Monday, July 8.** If you need more information, or would like information about donating at other sponsorship levels, please call 773-233-3100 or email sflood@bapa.org.

See you at Bikes & Brews!

2019 Beverly Hills Cycling Classic Committee

2019 BIKES & BREWS PRIMES DONATION APPLICATION

Individual or Business Name: _____ Contact: _____

Address: _____ City: _____ State: _____ Zip: _____
