

# CLUES

- In this big brick building is a small organization  
Working every day to foster local  
-----  
The Beverly Area Planning Association,  
Loving that they live – and serve – in this  
community.
- Constructed in 1892 for Sarah D. Clarke,  
Gingerbread is this home's decorative  
-----
- Is this house a painted lady or a brick-  
work dame?  
The front is brick and mortar, but the rest  
of it is -----
- Whether heading to the field for a  
baseball game,  
Or into the gymnasium, a game of hoops  
to play,  
You need to pass through the iron gates,  
Marked with these initials: -----
- A spacious yard recalls a lakeside  
destination,  
And the cozy porch beckons all to set their  
tasks aside.  
But the home's name contradicts that  
invitation!  
----- urges "the faster the  
better," not "sit and bide."
- The structure, which keeps you free  
from snow and rain,  
Is held up by \_\_\_ columns, their impor-  
tance is plain!
- Grab your skates and hockey stick,  
No need to wait for winter's chill!  
This practice rink is paved, not \_\_\_\_\_.  
For year around work on your skill!
- You've heard of the man in the moon,  
But here, look up and see  
The bushy \_\_\_\_\_, eyes and nose  
Of this funny man in the tree.
- A local anchor where residents go  
To break a sweat, relieve some stress, or  
try a sport they don't know.  
Among the activities at the \_\_\_\_\_  
\_\_\_\_\_ you  
can do.  
Are ice skating, gymnastics, yoga and  
hockey too.
- Walk through the \_\_\_\_\_  
\_\_\_\_\_ courtyard,  
and fourteen statues you will find,  
Sitting on concrete pedestals,  
The Stations of the Cross are one of a kind.
- A unique façade, impeccably complete,  
Assembled like a pieces in a \_\_\_\_\_  
See how perfectly the flagstones fit  
With the charming windows they nuzzle.
- Once home to the Walgreen family,  
This mansion serves a greater mission  
today.  
Now known as the \_\_\_\_\_ for  
Girls,  
The Margaret Walsh Campus is where the  
girls stay.
- Sunny days are powerful,  
and can keep things running smooth.  
Especially in this Morgan Park home,  
With \_\_\_\_\_ on its roof.
- You would be nuts to miss this grassy  
oasis, unless it's in the dark;  
Keep right and follow the traffic signs to  
arrive at \_\_\_\_\_ Park.

## HISTORY MYSTERY BIKE ADVENTURE

### HOW TO PLAY

- Ride your bike to each location and look for the clue.
- Fill in your answers for each clue.
- Place numbered letters in their designated spaces for the History Mystery puzzle to uncover the solution.
- Copy your answers in the solution spot (bottom right).
- Take a picture of your completed clue sheet and email to [bapa@bapa.org](mailto:bapa@bapa.org) with History Mystery in the subject line. Send the puzzle solution along with your name, address and phone number. **Solutions must be received by Oct. 31, 2020!**
- Prize winners will be selected randomly from all correct solutions. **1 entry per family.**

Find a copy online at [www.bapa.org](http://www.bapa.org).

## Adventure #5 Morgan Park October 1-31, 2020

### MAP KEY

- START
- CLUE STOP
- TRAFFIC LIGHT
- BIKE-TO BUSINESS

### Ride Safely!

- Children and adults must wear helmets.
- Walk bikes across streets.
- Cross busy streets at traffic lights or stop signs.

Special thanks to  
**RIDGE HISTORICAL SOCIETY**  
for fact-checking our clues.

### PUZZLE SOLUTION

Built in 1857 as a simple cottage, this house originally stood near Western Avenue and was moved to Artesian. The Italianate front was added in the 1870s.
